COMMITMENT

If I am interested in either special music or the praise team, I have read and understand the requirements for being considered for this ministry. I understand that application to these ministries is a large commitment which requires a close walk with the Lord, a commitment to the Lord, a commitment to CCC as evidenced by regular attendance and membership (for praise team) in the church, an ability to work well within a team, excellent dependability, a good attitude, and a God-given musical ability. I am willing and able to quickly learn new songs and new styles. I have the time and ability to contribute as a reliable member of this ministry.

I understand that I represent Jesus Christ and Christian Community Chapel through my involvement with this ministry. I am prepared to temporarily or permanently remove myself from the ministry if I am dealing with an active problem that could undermine my witness and/or damage the church's reputation.

I understand that I will be interviewed before I am approved to serve in these ministries. I understand that I may be asked to fill out a background check and consent release form.

Opportunities to Serve

"For you, brethren, have been called to liberty; only do not use liberty as an opportunity for the flesh, but through love serve one another."
- Galatians 5:13

As children of God, we are called to serve one another by using the gifts and talents that He has given to each of us. Please pray about whether God is calling you to get involved in any of CCC's ministry areas.
